

Instructions regarding Forgot Password SMS in MSEB CPF Portal

Date : 24/10/2017

In MSEB CPF Portal, provision is now made to send SMS of password for **'Forgot Password'** option. If employee uses forgot password option, new password will be generated and sent on registered mail as well as on registered mobile number. The SMS will be sent only once in one day. If employee uses forgot password option more than once in a day, they will receive mails but SMS will be sent only once per day. If the employee is unable to get the password even after this facility, it is necessary to send the form provided earlier for change of email ID and/or mobile number.
